Andrew Bonar authored the Memoir and Remains of Robert Murray M'Cheyne and a dozen other biographical works, doctrinal treatises, and gospel tracts; he was the younger brother of the well-known author and hymn-writer Horatius Bonar. As a contemporary of Spurgeon and Moody, he pastored evangelical congregations in the Free Church of Scotland.

Diary and Letters is Bonar's remarkable personal journal. Through a period of more than 50 years, he maintained a continuous record of his personal life, spiritual experience, and public ministry. Andrew Bonar was a man full of humility, prayer, evangelical fervor, and pastoral concern. Diary and Letters permits you to look over the shoulder and into the heart of a true spiritual giant and model of genuine evangelical piety. Since this book is currently out of print, I desire that this edition for Logos PB will make it more easily accessible for reading and study.
